At Irby Primary School we believe that any type of bullying is unacceptable and will not be tolerated.

This Anti-Bullying guidance is to help pupils understand:

- * What bullying is
- * How bullying can make a person feel
- * Who they can speak to in school if they feel bullied by anyone.

This guidance will tell children how we will deal with bullying issues and what support we will give you.

Tell one of the adults who works
in our school
or
tell another adult who you trust.

In school, the adult will listen carefully to what you have to say. The adult may write things down to help them remember. The adult will work with you and the child who is making you unhappy to sort things out. The adult will keep an extra special eye on you to make sure you are happy again.

If it doesn't stop or if it starts again, tell an adult so we can try something different to fix the problem.
