

SECONDARY TRANSFER Y5 PARENTS' MEETING

It is the time of year when parents are considering which school will be the best to support their children after life at Irby Primary School.

You will want all relevant information in order to make an informed decision. Please ensure that you and your child attend all relevant open evenings and scour school's websites to make sure you are as well informed as possible.

On 26/4/22 I will hold a meeting in the School Hall at 6pm for all parents of children in Year 5 to explain the process and provide key information relating to deadlines.

VOLUNTEERS FOR Y6 CAREERS FAIR

We intend to hold our Careers Day for Y6 on Thursday 23rd June from 1-3pm. A huge thank you for all of those parents who have volunteered. We are still looking for people to share their experiences in their role and career path to date in order that children's horizons may be broadened and aspirations heightened. Please contact the school office if you are willing to donate some time to inspire Year 6.

LIFE EDUCATION CARAVAN (25&26/4/22)

Over two days, staff from the Life Education Caravan will be working with each class to provide workshops on wellbeing and staying healthy in Red Class and Y1-3 and Relationship and Sex Education for Y4-6 (letters have been sent to parents). This event has been funded by PIPS and we wish to thank PIPS and our wider community for all of their fundraising expertise and efforts.

YEAR 6 SATS WEEK (09/05/22)

A week in which Year 6 have the opportunity to demonstrate their knowledge skills and understanding after a successful learning career at Irby Primary School.

We ask that all Year 6 children attend school promptly each day and know they will do themselves, the staff and family proud.
