

OUR FAREWELLS

We say goodbye to Mrs Rollinson, Mrs Healy, Mrs Barker and Mrs Cui to whom we are all eternally grateful for their commitment and diligence in their respective roles.

Whilst sad to see them leave, we wish them good health and best wishes for the new adventures that lie ahead.

YEAR 3 - Stars are Born!

As you will be aware, England made it through to the final of the UEFA European Football Competition 2020 on Wednesday evening. This was one of many good reasons to shout at the television that evening as Year 3 also made their first TV appearance! Seen twice on BBC's Northwest Tonight from 6.30pm, Year 3 wanted to wish the England team well and it worked incredibly well! Well done to Year 3 as great ambassadors for Irby Primary School and to Miss Benson and the teaching staff for their hard work.

It was Miss Benson's idea to have the school dress in red and white on the day and to submit Year 3s well wishes! The whole school enjoyed the themed day with the atmosphere being quite competitive (particularly the staff) and sportsmanlike during school-based penalty shoot outs!

AUTUMN TERM 2021

As the guidance continues to change almost daily, we are planning and readying ourselves for the Autumn Term. Currently, it would appear that all Covid related restrictions will be removed and, in school at least, we can return to normal. We will of course keep you informed and will confirm arrangements for September before we finish for the holiday period. Thank you for your support during the last rather challenging year.

Further information regarding a broad range of extra-curricular clubs to commence from September will follow before the end of term.

CLASSES FOR SEPTEMBER 2021

The children enjoyed meeting their new teacher last Friday and below is a list of staff and the classes they will be based in:

Red Class - Mrs McHale & Mrs McCormick
Year 1 - Miss Benson & Mrs Houghton
Year 2 - Miss Collins & Mrs Bradley
Year 3 - Mrs Thornborough & Mrs McGuirk
